

Agenda
Makerspace at the Foundry: Meeting 2
Artisan's Asylum
10 Tyler Street
Somerville, MA 02143

Thursday, September 6, 2018

- **8:30 am – 8:50 am**
Strategies to ensure safety in makerspaces

- **8:50 am – 9:10 am**
 - a. Tools and equipment available at Artisan's Asylum
 - b. Process for selecting the equipment that we would like at the Foundry: ways to determine tools that
 - Align with residents' interests
 - Will be synergistic with other offerings at the Foundry

- **9:10 am – 9:30 am**
Fiscal model:
 - For makerspaces like Artisan's Asylum
 - How to generate income from micromanufacturing: see example in Quebec (August 8 Makerspace at the Foundry meeting)

- **9:30 am – 10:00 am**
Tour of Artisan's Asylum

Topics for future meetings:

- Ways to encourage women to become involved at the Foundry makerspace
- Approach to partnerships with other spaces in the area
- Makerspace guide/map document that Alex Levering drafted – does anyone have updates to suggest?
- Environmentally friendly materials and waste: Jacy Edelman's discussion suggestion from our August 8 meeting
- Grant opportunities

For questions please contact Zoe Vanderschmidt (zoev@mit.edu, administrative support for the Foundry Consortium), or Michael Shia (michael.shia@gmail.com, working group leader).
